

Professional profile

# ANASTASIA MINDRUL

## PRACTICE FOCUS

---

Anastasia is a registered Patent and Trademark Attorney of Ukraine with more than 17 years of experience in IP matters.

She is primarily focused on legal strategies for protecting and enforcing IP rights, patent and trademark prosecution, pre-trial counseling, copyright enforcement, geographical indications, trade names, industrial designs, representing clients before the Chamber of Appeals of UA PTO.

Anastasia provides a diverse range of services at every stage of IP life cycle, from pre-filing consulting (preparatory work) to post-grant oppositions, further assignment and licensing.

Anastasia has deep knowledge of EU and national intellectual property laws. She is also experienced in filing applications abroad according to the national procedure and filing international applications under Madrid system, enabling Mamunya IP to support its clients in different countries.

Anastasia is the author of many scientific articles and researches in the field of IP. She is co-author of several monographs on the protection and enforcement of intellectual property rights. She has taken part in the working groups for development, improvement, and enforcement of intellectual property legislation of Ukraine.
