

Professional profile

# OLEKSII LUKIANOV

## PRACTICE FOCUS

---

Oleksii has over 10 years of experience in litigation, 8 of them with top-tier Ukrainian law firms representing clients in commercial, civil and administrative cases, and works in the field of intellectual property since 2013.

His primary focus is intellectual property (patent, trademark and copyright) and intangible assets litigation.

Aside from his courtroom practice Oleksii has experience in development and implementation of IP portfolio management and implementation strategies, drafting IP assignment and licensing agreements.

He also took part in complex licensing and IP due diligence in various industry sectors (television, pharmaceuticals, IT, communication s etc.).

He is admitted to bar as Attorney-at-Law.

Oleksii has been actively involved into several high-profile cases, such as:

- Representing a worldwide known publisher, in a number of civil and commercial cases in Ukraine
- Representing one of the biggest NGOs in Ukraine dealing with HIV treatment in the first case in the history of Ukraine within which patients' organization challenged patents for HIV drugs of a big international pharmaceutical manufacturer AbbVie
- Protecting pharmaceutical products of the famous pharma manufacturer in several patent infringement disputes as well as in patent invalidation dispute
- Representing global telecommunications in several intangible assets court cases
- Representing international, science-centered pharmaceutical company, in several patent cancellation and patent infringement actions
- Representing one of the largest famous chemical companies in a dispute regarding its core invention patent which required knowledge on particularities of agrochemicals' market authorization, as well as technical background regarding patentable subject matter
- Oleksii has been involved in a pro bono case re publishing book that tells real-life stories of experiences of people battling incurable disease and their relatives and provides certain advice to those involved in such situation
- Oleksii has participated in carrying out complex legal due diligence, including that of one of the largest Ukrainian TV channels
